Change Course Title

Description – In this tutorial, you will learn how to change the course title to your course. It’s easy to change the title to your course. A change to the title does not interfere with Blackboard administration. You will see the changes on the top "Breadcrumbs" menu and at the top of the Course Menu.

To change the title, go to

1. The Control Panel on the left side of the screen
2. Click Customization
3. On the expanded menu, click Properties
4. On the Properties page in Step #1 you will see your current course title. You can highlight and delete this title. Type in your new title.
5. Click Submit

You will now be able to see the changes to your Course Title on the Breadcrumb menu and at the top of the Course Menu.
