Southwestern Community College’s Career Center offers all students both in-person services and online tools to explore careers, identify academic pathways to achieve their goals, and become successfully employed in our regional community and economy.

As a career counselor, I will help you identify your interests, set goals and research options so that you can make a well-informed decision about your program and career. Using Career Center resources, you can build a resume, write letters of application, and practice interviewing. You will develop a plan to gain experience and work-ready skills and use online tools will help you actually look for jobs.

1. The SCC Job Board posts full and part-time jobs posted for the region and beyond.
2. Visit the Career Center for career counseling and career decision-making guidance.
3. Attend Career Seminars and the SCC Job Fair to gain skills and talk to real employers.
4. Practice interviewing and sharpen your skills using The Perfect Interview.
5. Use Career Coach, an online, interactive tool that combines self-assessment, major and career exploration, extensive data about real jobs, and even job listings.
6. Use Google Hangouts to meet online with a career counselor!

Whether you are new to SCC or about to transfer or graduate, the Career Center is here to help. Take advantage of our many events and services, most of which are free and tailored to your needs.
