Welcome to the Holt Library. My name is Dianne Lindgren...

And I am Vickie Lepore. We are here to answer the most frequently asked questions that students bring to us when they visit the library.

The first question is about your library card. People want to know, how do I get my library card?

Well, you already have your library card in a sense; it’s on the back of your student I.D. There’s a barcode there, with a number.

Not only is that number good for checking out materials in the library, but it’s a password to a very important online collection of resources called...

NC Live. You find those resources by logging into MySCC and then selecting the Library Tab.

That takes you to the library homepage. Actually, that’s where most all of your other questions will be answered, like our hours and our contact information. Whether you are a distance learner or a campus student, we are your personal librarians. We want you to call us or email us or just come right in the door!

We look forward to helping you out with all your research needs!

See you soon!
